Re: Chester Hill Holding Company
Site Plan Application

Dear Ms. Burchianti,

Per the letter of John Nosek, dated December 3rd, attached in several following emails are the requested studies and reports. These were previously submitted to and approved by the NYS Department of Environmental Conservation as part of the approval process for the mining permit.

1. *Noise Assessment*;
2. *Traffic Study*;
3. *SWPPP*;
4. *Visual Assessment*.

The *Mining and Reclamation Plan Update* (previously sent to you) serves as the Landscape Plan. Also sent with these emails is the NYSDEC Mining Permit, which is being renewal at this time.

Do not hesitate to contact this office if the board needs additional information.

Sincerely,

ROY T. BUDNIK & ASSOCIATES, INC.
