Re: Chesterdale Subdivision
NYS Route 94
Project #04182.0

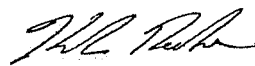

Dear Mr. Serotta:

In reference to the above, please allow this letter to serve as a request for extension of preliminary subdivision approval that was granted by your Board. Since the approval the applicant is in the final stages of obtaining Orange County Department of Health approvals.

It is our expectation that various department approvals will be secured within a month or two, after which the matter will refer back to your Board for final approval.

Should you have any questions regarding the above, please feel free to contact our office.

Respectfully,

Kirk Rother, P.E.
