**Variances: Relief from the Town's Zoning Ordinance is granted by the Zoning Board of Appeals in accordance with NYS Town Law 267 and Town of Chester Zoning Law Section 98-36. The board of appeals shall, in the granting of variances, have the authority to impose such reasonable conditions and restrictions as are directly related to and incidental to the proposed use of the property. Such conditions shall be consistent with the spirit and intent of the zoning ordinance or local law, and shall be imposed for the purpose of minimizing any adverse impact such variance may have on the neighborhood or community. The following criteria are used for the granting of variances.**

**FEES:**

<b>Residential Area Variance or Interpretation</b>	<b>\$175</b>
<b>Commercial/Industrial Variances</b>	<b>\$275</b>
<b>Use Variance</b>	<b>\$350</b>
<b>Mailing List</b>	<b>\$75 (first 25 names) \$ 1 (per name after 25)</b>
<b>Work Session</b>	<b>\$ 75 <u>each</u> work session (up to a half hour)</b>

## **Requests for Interpretations**

An interpretation is a request to interpret an order, requirement, decision, or determination made by an administrative official or a request by any official, board, or agency to decide any of the following questions:

- Determination of the meaning or requirement of any portion of the Town of Chester Zoning Laws.
- Determination of the exact location of any district boundary shown on the zoning map.

## **Area Variance**

An Area Variance is a granting of relief from the dimensional requirements of the zoning ordinance. An area variance is heard where lot size, width, setbacks, number and size of structures, sign ordinances, etc. are involved.

An Area Variance application must address the balance between the benefit to the applicant versus the detriment to the health, safety and welfare of the neighborhood, should the variance be granted. The Zoning Board of Appeals must consider the following criteria when "balancing" the request for relief.

1. Will granting this variance produce an undesirable change in character or a detriment to the neighborhood?
2. Can the benefit sought by the applicant be gained by any other feasible alternatives?
3. Is the relief requested substantial to the Ordinance requirements?
4. Will the relief requested have an adverse effect or impact on the physical or environmental conditions in the neighborhood or district?
5. Is the relief requested a result of a self-created difficulty?

## **Use Variance**

A Use Variance is a granting of relief to allow a use not otherwise allowed under the Zoning Ordinance.

A Use Variance application must demonstrate, to the Zoning Board of Appeals, an unnecessary hardship. Demonstration of such hardship includes responses to the following criteria. Responses must address each and every permitted use listed, under current zoning, for the property in question.

1. Can a reasonable return be realized if the land is used as zoned?  
*If the answer is no, this claim must be substantiated by competent financial evidence.*
2. Is the alleged hardship unique to the property in question?
3. Will the requested variance, if granted, alter the essential character of the neighborhood?
4. Is the alleged hardship self-created?

State in factual terms the exact manner in which applicant seeks from the Zoning Board of Appeals:

Requesting 90ft setback from street + 90ft set back from stream vs. 100ft each. We are open to doing 80 from one side + 100 from another if that is better for zone. (100ft setback from stream is town not state or fed)

A summary statement of the practical difficulty because of the existing zoning regulations for the subject premises as follows:

due to setbacks, we are limited to building. we would like to build a regular home that will match the development.

Describe any circumstances supporting this application:

- many homes in development are not 100ft back
- current setback leave us limited to a very odd/small shaped bilvel which will not match homes on this street.
- we already signed a 50ft no disturbance which is NO problem at all. we are only looking to gain some space for the right home
