ATTN: Mr. Alfred Fusco

RE: 1376 Kings Highway
Sugarloaf, N.Y.

Dear Mr. Fusco,

I am providing the following information that you have requested.

I have met the Owner, Mr. Alan Michalka, at the referenced site for the purpose of confirming the existing construction in place.

Specifically, I have looked at the walls and ceilings where noted on the Plans as fire separation assemblies. Electrical covers were removed to see and to confirm that two layers of 5/8" gypsum board were installed as noted on the Plans, which I have confirmed.

If you have any questions, please call me.

Sincerely Yours,

Greig Andersen, R.A.
