Re: Verizon (Silvertail)

Dear Chairman Serotta,

We have reviewed the most recent submittal from Michael R. Crosby. The new report has been somewhat informative; however I do question some of the alternate rejections which might just need further explanations. I defer to our expert, Clint Smith, P.E., for his review of the submitted material which after my review of his report reveals that the Verizon response did not answer all the questions raised.

Please advise if I can further assist you.

ACTION:  
None at this time.

Very truly yours,
