Re: Woodridge
Realty Subdivision
Town of Chester

Gentlemen:

Please be advised that the plans dated December 5, 2013 last revised June 28, 2016 for the above referenced project have satisfactorily addressed our comments based on the information available at this time; however, in response to your request, our approval is not being granted at this time.

Failure to request approval within 90 days may be sufficient reason for disapproval.

If you have any further questions please contact this office.

Very truly yours,

James Sturomski, P.E.
Public Health Engineer
