

Town of Chester Building Department Referral

1786 Kings Highway
Chester, NY 10918
(845) 469-7000 x7

Date

6/4/26

The Building Department received an inquiry regarding the keeping of chickens on a 2.3-acre lot in an AR-.3 district (non-conforming lot) from David Turetsky at 1301 Kings Highway. The bulk table of Accessory Uses for AR-.3 does not specifically address a permissible number of chickens for non-conforming lots. The question is hereby referred to the Town of Chester Zoning Board of Appeals for an interpretation and possible variance.
