Re:  
Construction Trailer Variance at  
24 Well Sweep Lane  
Sugar Loaf, NY  
Section 13 / Block 1 / Lot 7

Dear Mr Lambros,

The current variance for the use of a construction trailer to help facilitate the construction of a bridge for access to my property has ended on August 15<sup>th</sup>. I would like to ask for an extension of this variance, due to some financial hardship the bridge construction is taking longer then expected. As of today I would like to say the bridge will be completed by December 21, 2015.

I wish to be proactive in informing you of the current conditions of my construction project in hopes of keeping the Board and Community amiable towards my project. Please let me know what I may need to do to extend the variance at this time.

Sincerely,

Andre' Keel
