This Hospital is, basically, the same: (1) Size (852 sq.ft.); & (2) Configuration; & (3) also in the same Zone; as my previously-Approved Veterinary Hospital <sup>⊛</sup> (@ 1136 Kings Highway, Chester ). There are NO Structural changes necessary here, or planned. Basic Layout consists of: Reception Area; Exam-Room; Surgery & X-Ray Areas; & Cage-Room (all of which already fit perfectly into the Pre-Existing Layout of Partitions). We are a Full-Service Vet Hospital. We DO NOT Board Dogs for any Non-Medical reasons, nor do we have any Outdoor Runs.

<sup>⊛</sup> My same Identity Sign was also Approved @ the previous location.
