To: Mr. Don Serotta, Planning Board Chairman

From: John Reilly, Highway Superintendent

Re: ARX Wireless – Poplar Dr.

Dear Don,

After doing a site inspection of this cell tower site, the following items are my recommendations for this project.

- A road restoration bond in the amount of \$5,000.00.
- A blacktop paved apron of 10 feet long should be installed off Poplar Dr.
- Remove and replace the existing fence with a new fence. The gate of the new fence should be 12 foot wide.

Besides these requests, I have no other issues with this project. If you would like to discuss this further, please feel free to contact me.

Sincerely,

John Reilly
Highway Superintendent
