New Cingular Wireless PCS, LLC

Structural Evaluation – AT&T Site: 15381490 Walton Park (Chester 1)

AT&T FA Number:	15381490
AT&T Site Name:	Walton Park (Chester 1)
AT&T PACE #:	MRNYJ013162
AT&T PTN #:	2191A0YB2R
Site Address:	59 Poplar Drive Monroe, NY 10950
Building Code:	2020 Building Code of NY State
Design Standard:	ASCE 7-16 / ANSI/TIA-222-H
Result:	Pass

To Whom it May Concern:

At your request, Airosmith Engineering, has reviewed the proposed tower structure at the above referenced site for adequacy to support AT&T Mobility's proposed loads for the referenced project. This evaluation is based on a review of the information from the following documents:

- Mount Analysis Report (dated 02/10/23) provided by Airosmith Engineering
- Structural Analysis Report (dated 02/10/23) provided by Airosmith Engineering
- Construction Drawings (dated 02/14/23) provided by Airosmith Engineering
- Preliminary/In Progress RFDS, v1.00 (dated 02/13/23) provided by AT&T Mobility

This evaluation assumes that all structural members are in good condition, have not been altered from the manufacturer's original design, and have been installed per the manufacturer's requirements. Prior to installation of any new appurtenances, the contractor shall inspect the condition of all relevant members and connections and shall tighten all connections. The contractor is responsible for the means and methods of construction and shall notify Airosmith Engineering immediately if any field conditions differ from those listed above. Should there be any questions, please do not hesitate to contact us at engineering@airosmithdevelopment.com.

Sincerely,

Joseph R. Johnston, P.E.
VP Structural Engineering
