Dear Chairman Serotta,

We have reviewed the 3/22/2023, plans from Civil Tec Engineering & Surveying PC and have the following comments:

- 1. Detailed septic system needs to be attached to plan. SPDES permit required for the longer building.
- 2. Septic plan required for dance studio and water well.
- 3. Final bridge design to be submitted.
- 4. Show water supply and sprinkler on plan. Also add Fire Department connection.
- 5. Show the site distance.
- 6. Show landscaping and lighting.
- 7. Board comments.
