Dear Chairman Serotta,

We have reviewed the July 5, 2022, plans from Civil Tec Engineering & Surveying PC and have the following comments:

1. Detailed septic system needs to be attached to plan. SPDES permit required.
2. Final bridge design to be submitted.
3. Show water supply and sprinkler on plan. Also add Fire Department connection.
4. Show the site distance.
5. Show landscaping and lighting.
6. Board comments.
