Dear Chairman Serotta:

Kindly let this letter serve as a request for two 90 day extensions of the Conditional Final Approval granted by your Board. Approval has now also been secured from the Town of Blooming Grove Planning Board, the road installation is under way and the process of creating the Drainage District with the Town Board has been initiated.

We anticipate having all open items addressed in the next month or two. Given the complexity of having to coordinate between two municipalities, we ask that the second 90 day extension be granted in the event additional time is needed. Should you have any questions, or require any additional materials, please feel free to contact this office.

Respectfully,
