Re: Chesterdale
Preliminary approval extension request
Our Project #04182.0

Dear Chairman Serotta:

Kindly let this letter serve to request an extension of the Preliminary subdivision approval granted by your Board. Since the last extension the applicant has been in contact with the Health Department, drilled a test well on Lot #10, performed the well pumping test and sampled the groundwater for laboratory testing. We are now in the process of securing realty subdivision approval from the Health Department.

Respectfully,
