Dear Don:

Please find revised Site Plans and a new Stormwater Management Plan as per Planning Board meeting of August 17, 2016 and letter dated August 15, 2016 from Fusco Engineering and Land Surveying, P.C. The revisions are as follows:

1. Add Sheets 4 thru 6 showing new Stormwater.
2. Revise Sheets 2 and 3.
3. Change dumpster detail to split block.
4. Show correct lighting detail.

Looking forward to the Public Hearing on October 5, 2016.

Very truly yours,
