Re: Hills of Chester
Our File #CH-028

Dear Chairman Serotta,

We have reviewed the plans and the request for an extension of approval.

The explanation of not dropping the trees and they do not want to start until November 1, 2019 is understandable. However, it would probably take that long to start irregardless due to filing plans, getting summer work in field, pre-construction, shop drawings, etc.

If you choose to approve an extension, I would let them know that this is the last one barring unforeseen circumstances.

Action:
Pleasure of the Board.

Please advise if you have any questions.

Very truly yours,

Alfred A. Fusco, Jr., P.E.
