Job #03002

Dear Mr. Chairman:

We are requesting to be placed on the June 5, 2019 Planning Board agenda for an extension of the approval extension granted March 6, 2019 for the referenced project.

Since trees were not dropped prior to the March 31, 2019 deadline, the Greens at Chester LLC plan on beginning in late fall, around the 1st of November.

If you have any questions or require additional information, please do not hesitate to contact us. Thank you.

Very truly yours,
