

## Fixed-Knot Woven Wire, 17/75/6, 12½ Ga - 330' Roll

Fixed-knot woven wire fence gives excellent control for animal containment, exclusion, and protection from predators. The combination of high-tensile wire and solid vertical stays allows fence installation using 25' post centers. Fixed-knot significantly reduces installation costs.

- 17 horizontal lines
- 75" height
- 6" vertical spacing
- Class 3 galvanized
- 12½ gauge high-tensile
- 330' roll
