Re: John Jackson

Dear Chairman Serotta,

I received a modified site plan for relocation of a dwelling on a previous subdivision.

I had met with the applicant and gave him direction to have the previous design professional upgrade the plans. I did not see that – only sketches on the old plan.

It remains the applicant's responsibility to conform to 83-22N, Relocation of Dwellings. Also, it must be in accordance with 98-26, Ridge Preservation Overlay district.

I would also like to review the application and SEAF when possible.

Please advise if you have any questions.

Very truly yours,

Alfred A. Fusco, Jr., P.E.
