To: Mr. Don Serotta, Planning Board Chairman

From: John Reilly, Highway Superintendent

Re: NY Solar – Greycourt Rd.

Dear Don,

After doing a site inspection of this proposed solar farm, the following items are my recommendations for this project.

- A road restoration bond in the amount of \$20,000.00 because of the anticipated heavy truck traffic.
- The driveway should be constructed of 8-10 inches of hard base material for stabilization with a negative pitch, completed with a 20-foot NYS approved black top apron.

Besides these two requests, I have no other issues with this project. If you would like to discuss this further, please feel free to contact me.

Sincerely,

John Reilly
Highway Superintendent
