

"Your Multi-Sports Center"

Donald Serotta  
Town of Chester Planning Board  
1786 Kings Highway  
Chester, NY 10918

May 14-2015

Dear Chairman Serotta'

With regard to the turning off timing of the outside fields lights we request the following timing be approved:

Sunday to Thursday                      turn off at 10.30 Pm

Friday and Saturday                      turn off at 11 Pm

For a normal and successful operation of a Sports Complex we need to allow the kids to be able to play also in the evening, after the scorching heat of the hot months.

We also like to point out that other similar businesses in the area and in similar situations, keep the lights on much longer.

We further like to mention that in the summer months, we can basically play outside in daylight to approx. 9 Pm.

Respectfully  
Luca Spensieri
