Dear Mr. Serotta:

Please let this letter serve as our request for a ninety-day extension of Conditional Final Approval for the above referenced project. As you will recall, this project received conditional final approval at the December 7, 2011 Planning Board meeting. Please note that the project has been purchased and is anticipated to move into the construction phase in the near future. A pre-construction meeting with Town representatives is being scheduled to coordinate the construction of the project.

Should you have any questions or require anything further, please do not hesitate to contact this office.

Very truly yours,
