Re: Request for 180-day Extension of Approval
Siemens SunEdison Solar Project
FE Project No. 15-255

Dear Mr. Serotta,

SunEdison has completed its corporate reorganization and this project will be moving forward under ForeFront Power, a subsidiary of Mitsui & Company, Ltd. for the construction phase.

We ask that the Planning Board grant this project a 180-day extension of approval, from June 21, 2017 to December 21, 2017, so that we may satisfy the Town's conditions of final approval.

Sincerely,

Amador Laput
Project Manager
