PLEASE DESCRIBE IN DETAIL THE REASON FOR REVIEW (STATE DIMENSIONS, COLORS, MATERIALS, ETC.) ALSO, PLEASE ATTACH ANY PICTURES, DRAWINGS OR BROCHURES THAT APPLY TO YOUR CASE.

The former Lehigh & Hudson River Railway's East Chester train station was moved to 1398 Kings Highway, Chester New York in 1971. The historical colors for Lehigh & Hudson River Railway buildings were yellow, dark green trim and maroon entrance doors and windows.

At some point, the former East Chester Station was painted red with white trim.

We would like to paint the building to match the historical colors: yellow, dark green trim and maroon doors and windows. Attached are pictures of former Lehigh & Hudson River Railway properties supplied by local railroad historians and Mr Cliff Patrick, Town of Chester Historian. In addition, e-mail correspondence from Lehigh & Hudson River Railway historians Martin Feldner and Paul Miller discussing the historical colors.
