## Short Environmental Assessment Form Part 1 - Project Information

## **Instructions for Completing**

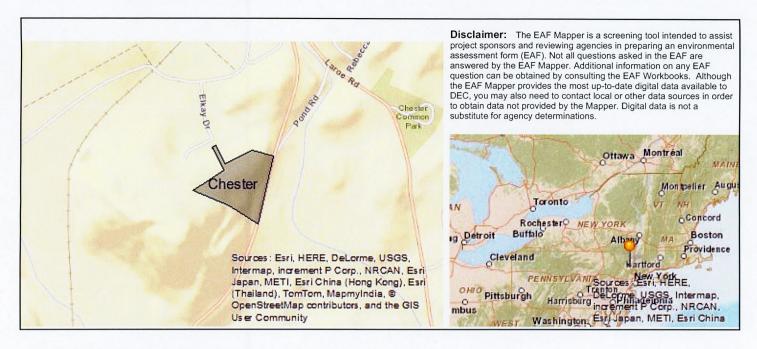

Part 1 - Project Information. The applicant or project sponsor is responsible for the completion of Part 1. Responses become part of the application for approval or funding, are subject to public review, and may be subject to further verification. Complete Part 1 based on information currently available. If additional research or investigation would be needed to fully respond to any item, please answer as thoroughly as possible based on current information.

Complete all items in Part 1. You may also provide any additional information which you believe will be needed by or useful to the lead agency; attach additional pages as necessary to supplement any item.

Part 1 - Project and Sponsor Information						
Name of Action or Project:						
Suresky & Sons Vehicle Inventory Center						
Project Location (describe, and attach a location map):						
39 Elkay Drive, Town of Chester, County of Orange						
Brief Description of Proposed Action:						
The proposed action received site plan approval from the Town of Chester Planning Board in October 2015 for 12,500 sf building and a parking area consisting of 129 paved spaces and 560 gravel spaces, totaling 698 spaces. The Project Sponsor is requesting an amendment to the site plan to pave the 560 existing gravel spaces. To accommodate the additional paved area, the amended plan includes replacement of the drainage outlet structure and installation of a swale in the southerly portion of the site.
