Re: Warwick Ridge Subdivision
Our File #CH-012

Dear Supervisor Valentine and Town Board,

We have reviewed the plans and inspected the site with the Highway Superintendent and have the following items open:

1. Adjust and/or replace catch basin heads.
2. Clean catch basins.
3. Repair concrete curbs.
4. Install drain to connect footing drain to catch basin on one lot.
5. Clean road.
6. Straighten stop signs.
7. Replace trees.

In order to proceed, reduce the existing bond. We need a cash bond for the above noted items in the amount of \$52,000. For dedication, we will need a maintenance bond for two (2) years.

Please advise if you have any questions.

Very truly yours,

Alfred A. Fusco, Jr., P.E.
